ADMIN DASHBOARD OVERVIEW

The Dashboard screen displays overall system statistics, monthly sales reports, lots sold per property, and recent transaction records.

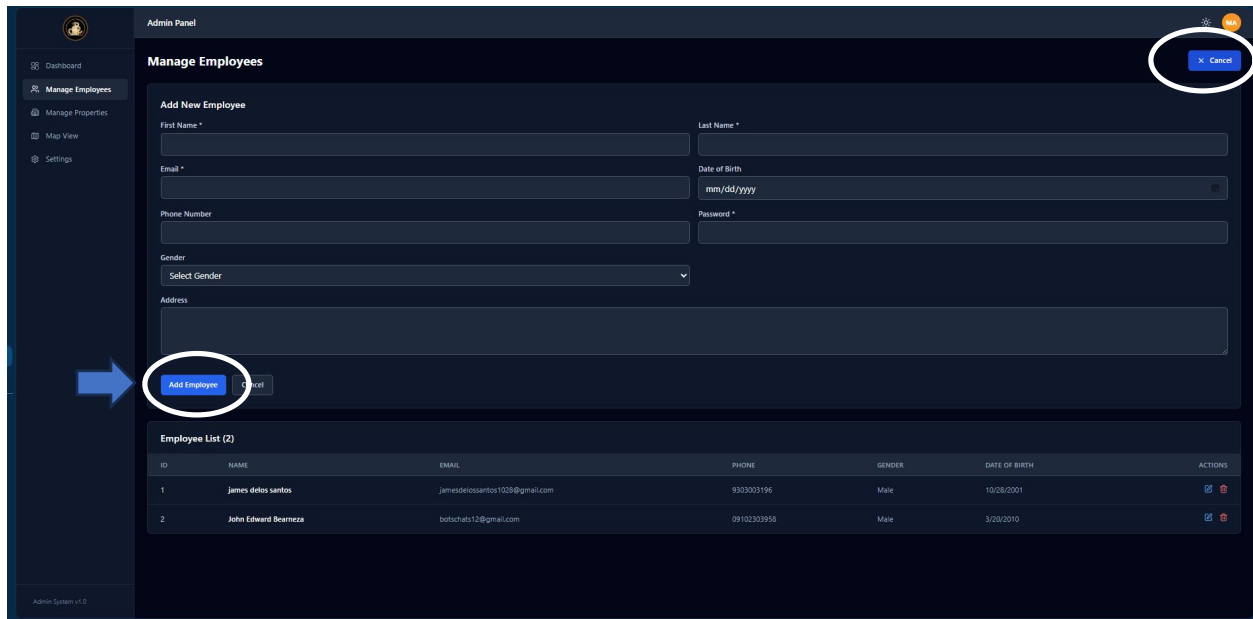

ADMIN ADD NEW EMPLOYEE BUTTON

The Add New Employee button on the Manage Employees page is where the admin can create and add new staff accounts to the system.

ADD NEW EMPLOYEE FORM

Fill out the employee's personal information, email, date of birth, phone number, password, gender, and address, then click the **Add Employee** button or cancel to go back.

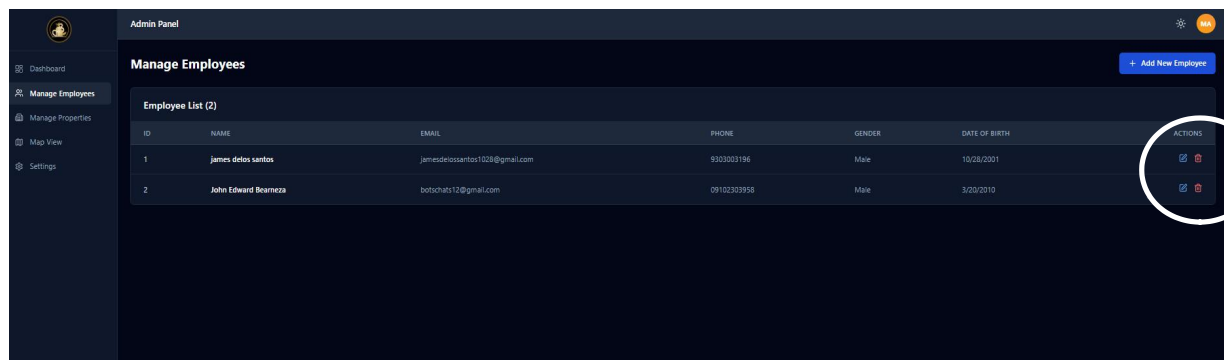

The screenshot shows the 'Add New Employee' form in the Admin Panel. The form includes fields for First Name, Last Name, Email, Date of Birth, Phone Number, Password, Gender, and Address. A blue arrow points to the 'Add Employee' button, and a red circle highlights the 'Cancel' button.

ID	NAME	EMAIL	PHONE	GENDER	DATE OF BIRTH	ACTIONS
1	James delos santos	jamesdelosantos1028@gmail.com	9303003196	Male	10/28/2001	 
2	John Edward Beameza	botchats12@gmail.com	09102303958	Male	3/20/2010	 

ADMIN EMPLOYEE ACTION BUTTONS

The edit icon allows the admin to modify employee details, and the trash icon allows deleting an employee record from the list.

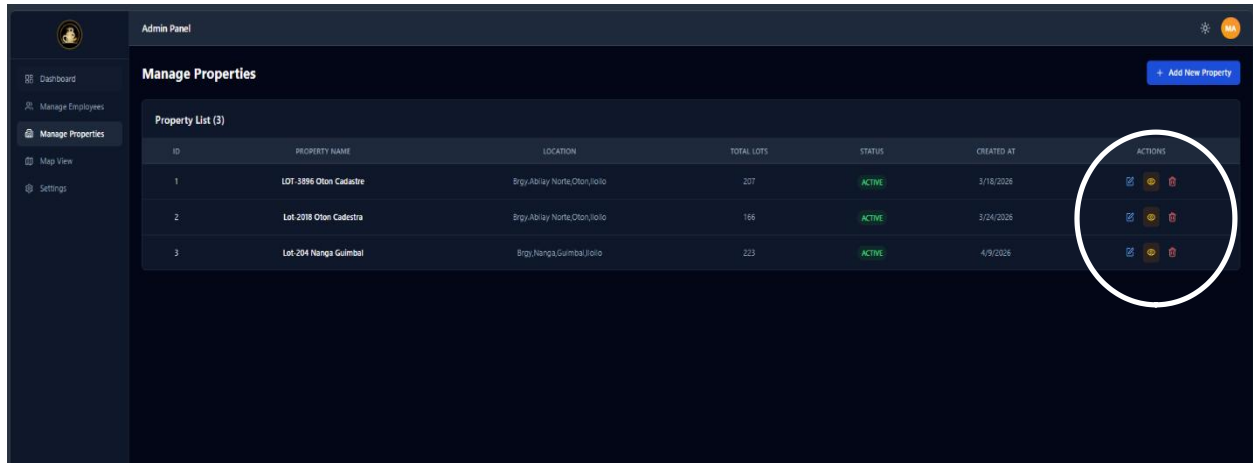

The screenshot shows the 'Manage Employees' table in the Admin Panel. The table lists two employees with their details. A red circle highlights the 'ACTIONS' column, which contains edit and trash icons for each employee.

ID	NAME	EMAIL	PHONE	GENDER	DATE OF BIRTH	ACTIONS
1	James delos santos	jamesdelosantos1028@gmail.com	9303003196	Male	10/28/2001	 
2	John Edward Beameza	botchats12@gmail.com	09102303958	Male	3/20/2010	 

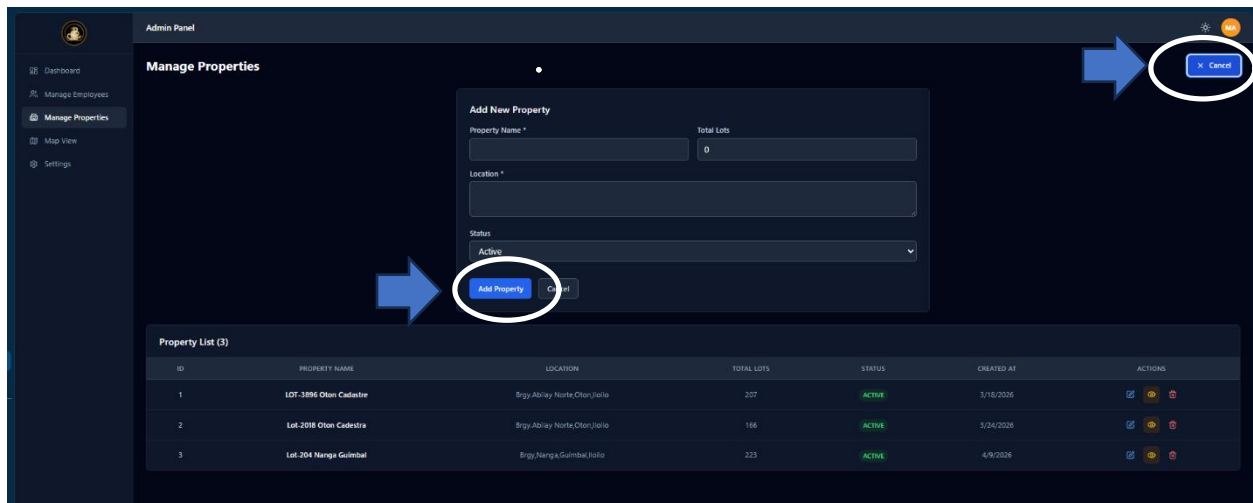

ADMIN PROPERTY ACTION BUTTONS

The edit icon updates property information, the eye icon previews property details, and the trash icon deletes a property from the list.

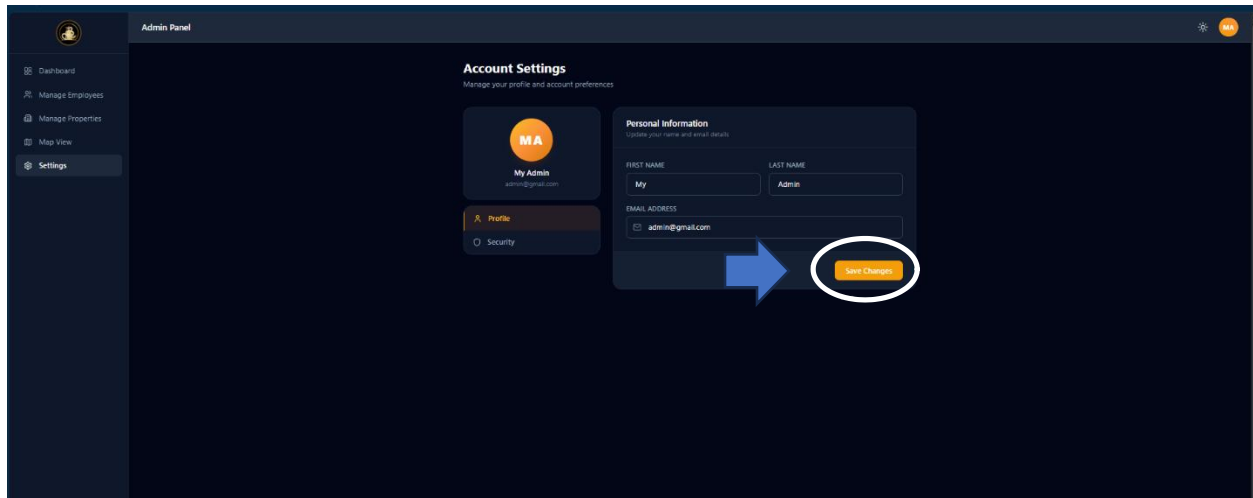

ADMIN ADD NEW PROPERTY FORM

Enter the property name, total lots, location, and status, then click the **Add Property** button or click cancel button to go back

ADMIN ACCOUNT SETTINGS

Update your admin name and email address under Personal Information, then click the **Save Changes** button.

ADMIN MAP VIEW ACTION BUTTONS

The Manage Lots button allows the admin to edit and configure lot layouts, while the Properties dropdown lets the admin switch between different property location maps
